CARD No. 20

Another of the Many Types of

MODERN DISPLAYS

Designed and Manufactured by *Brunhoff*

THE CANDLE DISPLAY RACK

FOR COUNTER USE

is made of Light Weight Metal with Electric Light at Tip as A-Point-of-Sale Display Rack. It is doing an almost unbelievable job in clinching Sales-on-the-Spot.

Without obligation submit your problems to us . . . Our designers will make up a sketch and submit with their suggestions on a display that will show and sell your product most effectively.
